

SYMBIOUN RECOGNIZED BY DIVERSITY BUSINESS

Symbioun was selected as one of the Top Diversity Businesses in the USA. This award recognizes successful businesses that are owned by people of ethnic minority origin. Victor Kannan, CEO attended the award ceremony held in Washington DC from 27th to 29th April 2010 at the 10th Annual National Multicultural Business Conference, Washington DC.

This conference addressed a range of critically important themes in the area of multiculturalism in business. The key speakers at the event included some of the world's leading thinkers in the field. The workshop presentations by researchers and practitioners threw light on the new trends in technology, business practice and consumer behavior. This conference brought together executives with an interest in, and concern for developing the economy, educational system and a multicultural society. MNCs such as Disney, Coca Cola, UPS, HP, Dell, Verizon, OfficeMax were among the 500 businesses represented at the event.
