

SiliconIndia si100

We present you si100 2009. This is the 12th year that si100 companies are being selected and honored!

si100 is an annual listing of the top 100 technology companies founded and managed by Indians in the U.S. The si100 not only represents the continuing rise and glory of Indian entrepreneurship in high-tech but also recognizes companies impacting the market place.

A distinguished panel comprising accomplished Indian CEO's & CIO's of public companies, VC's, analysts, founders of other VC funded companies including siliconindia editorial board decided on the top 100 companies listed below.
